LEAGUE SEASON!

Hello –

I hope everyone is getting their teams ready for league. The Spring League starts on April 14 for Trap and 5 Stand and April 16, Thursday will be the skeet league. Spring league will be 12 weeks long so it will end June 30 and July 1st. The good news is that prices will remain the same as last year. Trap and skeet league for 2 rounds is \$14.00, 5 stand league for 2 rounds is \$16.00. We will have Rio shells for \$6.25 and our STS and AA are \$8.00. If you have a team together, please call me or e-mail me.

Summer league will begin on July 7th & 9th and continue until August 25th & 27th. Once again, all the prices will remain the same and we will **hope** to not have cancellations because of the weather. I am working with our phone service for a place to make an announcement, so if it looks suspicious you can check on whether or not we are open.

Tri-combo will go back to 8 weeks and it will start on Tuesday, September 1st and go through October 20th. Unless we get over 12 teams, we will only have tri-combo on Tuesday night so please be thinking about it and getting your teams together early so we can have shooting on Tuesday and Thursday!.

We will be open as usual on Wednesday night for makeup's and shoot ahead's or just practice. We will go back to our regular schedule after the state shoot ending April 5th, Wednesday, Saturday and Sunday. Watch our website or phone messages for more updates.

Please call as soon as possible with your teams so I can get the schedule together! Dianna or I will be here to help you out.

Thanks,
Laura Gormley
Office Manager
