## **Tucson Trap & Skeet Club**

**February 28 – March 4, 2012**

The Tucson Trap & Skeet club invites you to shoot the 36th Annual Old Pueblo Open. We have 15 registered skeet fields with excellent shooting background, Wifi availability and we are a 5-star NSSF facility. For the first time, Tucson Trap & Skeet will use the Briley Wand Voice-Release System.

The Old Pueblo Open has been one of Arizona's largest Skeet Shoots. Sunshine, sights to see, good friends and good shooting make the Old Pueblo Open a great Skeet Shoot.

We are looking forward to seeing you shooting in the sunshine. All four-gun shooters will be given preference for registration. All shooters will receive a newly designed Old Pueblo Pin created especially for this shoot.

The Tucson Trap and Skeet Club will be open for practice Tuesday, March 8th 11:00 AM to 4:00 PM, Wed. and Thurs. 8:00 AM to 4:00 PM, Friday through Sunday from 8:00 AM until 5:00 PM.

We will be open for both the mid-week and main event registration starting Tuesday, March 8th from 12:00 PM through 4:00 PM and continuing Wednesday through Sunday 8:00 AM to 4:00 PM.

## Mid-Week Introduction

The Old Pueblo Mid-week is a class shoot, intended to offer a fun time to those shooters seeking more targets during their visit to Arizona. This shoot is a separate event from the Old Pueblo Main Event. If your scores from the Mid-Week cause a reclassification to a higher or lower class, this will be the class for the Main Event. It is the shooter's responsibility to update their average card prior to entering the main event.

And this is Briley.

And this is Briley.

At Briley, we're best known for our chokes and tube sets, but we're much, much more.

We're the exclusive direct distributor of Mattarelli® traps. We have one of the largest selections of doubles around, with new guns arriving daily.

Our latest innovations include the *Briley Electronic Target Management System* including voice operated pickle and the amazing *iPull*

target release. The new *Helix* shot migration choke actually redefines shot patterns.

All of this, and accessories that just don't exist elsewhere, expert gunsmithing for any gun, knowledgeable customer service and a reputation without equal. And don't forget chokes. We make a lot of chokes.

This is Briley. Visit us at our showroom in Houston, or at [www.briley.com](http://www.briley.com).
